

Professional Division Pursuit

Professional Division Pursuit (PD Pursuit) Iowa Edition was created by the 2018-2019 State Officer Team for local chapters to compete in recruiting professional division members. The program provides chapters with ideas to get their members more involved in the professional division of Iowa FBLA-PBL and a chance for additional recognition at the 2019 State Leadership Conference. The resources and submission links below are everything a chapter needs to Create, Lead, Inspire with this exciting new program! If you have questions about PD Pursuit submissions, please contact the State Adviser, Ms. Voss.
