

The GAME of

Official Rules

How to get started

- Download the official game board, located on the PBL section of the Iowa FBLA-PBL website

Game Rules

- The game board is divided up by months. Move along the path, stop at the beginning of the month and look at the activities listed to complete.
 - There are TWO PBL-related activities per month.
 - Each activity is awarded a point-value (point system is found at the bottom of this rules document)
 - In order to move on to the next month, you must complete ONE activity. (You may complete both and be awarded more points if you choose to.)
- Community Service Activities
 - Each month contains a suggested community service activity. These are optional, but we recommend completing as many as you can.
 - You may complete a different activity than suggested for a certain month. (However, be sure to submit your activity in order to receive points.)
- Submission Details
 - Locate the submission form on the Iowa PBL website
 - Fill out the required information and submit a photo of you or your chapter completing the activity by emailing it to pbofficers@iowafbla.org

****Make sure to DOCUMENT all activities (photo/video/etc.) for submission, or you may not be awarded points for completion****

Questions

- Please direct all questions to the state officers by submitting an email to pbofficers@iowafbla.org
